Beskrivelse

Shown trailer has been sold - new on the way

NEW LEGRAS 3-AXLE WALKINGFLOOR TRAILER WITH NORWAY-BOOGIE.

Well equipped with, among other things:

- BPW axles with drum brakes, co-steering axle 3
- Lift axle on axle 1
- Alcoa aluminum rims
- Strong Legras Type 10 floor that can withstand driving with a truck
- VBK automatic tarpaulin with wireless remote control
- Wireless remote control for operating the floor (same as for the roof)
- Door in the front
- Storm protectors for the roof cloth (straps on the inside of the side wall so that the paintwork is not damaged)
- All operating valves mounted protected in tool boxes
- 6 pieces. LED work lights
- LED 3-chamber rear lights
- 1 piece. spare wheel suspension
- 1 piece. loose aluminum sliding ladder
- Retractable ladder at the rear

We have several models of Legras walking floor trailers on their way home from the factory.

Shall we specify one that you want? Call us on +45 8724 4370 or write to us at salg@scanvo.dk - and we'll talk about the possibilities.
