Beskrivelse

Immediate delivery

Complete new standard 1450 mm tower for upholstery for both hook + wire hoist container - UNP 180 - we can also offer the light version for direct welding on the container's front wall plate dimensions H 500 mm x B 900 mm Here you can see photos and idea for welding the tower on container which used to be for wire hoist pull up ! In addition, we have more than 75 new/ used containers in different versions closed as open Call +45 87244370 and check for details or look www.scanvo.dk

The last 5 pictures show how the end result can look when welded to the container.
