Beskrivelse

SILO TANKTRAILER INTERCONSULT type: STRT1-64CA

Alu tank capacity 64m3 - front tip piston

Center of gravity height at permissible total weight 2088 mm, corresponding to 97.6 % of the track width over the outer wheels.

Approved for the transport of powdery substances, with a maximum filling level of 80 %.

Tank is in good condition, also inside clean and without cracks

SAF axles - air suspension - disc brakes - axle lift on 1st axle - */tracking 4th axle

Added extra 1st axle in 2019

Both tank and chassis frame are in regular condition for the year

*/ 4th axle needs to be inspected as it is stuck - the tipper steering in the back must be disassembled and lubricated / loosened before using the tip function
