Beskrivelse

SH 20 ton trailer with 7500 mm fixed bed

2 x 4 pcs. lowered container locks for 20 foot container - 120 mm edge frame
plywood bed base in good condition
loose 600 mm removable posts where profile planks can be mounted so that the goods stay inside the bed
57 mm towing eye - coupling length 9150 mm - coupling height is currently 500 mm - can be changed to desired height at additional cost
Included are ALTEC model VFR105 SO aluminum loose ramps length 2300 mm x Width 500 mm weight 45 kg year 2018 - which are located in a magazine box under the bed
transverse litter tray under the bed in front width 700 x Height 350 mm + plastic tool box
Gear support legs front + rear when the trailer is positioned with a load
The loading height is 900 mm - by lowering the air suspension in the rear and raising the towing eye in the front, the loading height in the rear is ONLY 680 mm

BPW axles - drum brakes - air suspension with built-in hanging lowering valve in the box on the left side
MXN camera line with plug in front for the front vehicle
Bliz lamps - 2 x 2 pcs. LED work / reverse lights under the bed - LED taillights

In good condition considering the year - I believe the chassis was sandblasted and completely painted about 5 years ago
