Beskrivelse

Volvo FM460 hp 8x2*6 Tri-axle chassis refuse truck

FAUN 533L front-loading industrial refuse body (2018 model); load cells under the body; in-cab printer; front loader for containers; tool/storage box under the bodywork

Extensive rear-facing work lighting, plus rotating beacons and illuminated signs on the roof and at the rear of the refuse body

Euro 6 engine – 330L diesel tank – 64L AdBlue tank – 5100 mm wheelbase – full air suspension – Powertronic PT2606 automatic transmission – 4th axle steerable & liftable – VDS (Volvo Dynamic Steering)

Day cab with low entry – automatic climate control – reversing and cyclist cameras – reversing alarm – rear air-suspended cab – parking heater for short stops – factory-painted Traffic Blue (RAL 5017)

In good, functional condition consistent with its age; regularly serviced (most recent service: 27/09/2024 at 461,433 km, including oil, transmission fluid, and rear axle oil changes)

Can potentially be supplied as a chassis only
